### Key Indicator - 7.3 Institutional Distinctiveness

The performance of the Institutional in an area distinct to its priority and thrust is commendable. In fact, CSU, Lucknow Campus, accorded utmost thrust and priority to students' centric conduct and activity. As a matter of fact, the future of students is being shaped here with more mentoring, profound studying and intensive reviewing in a systematic manner.

As soon as newly admitted students enter the campus, a very short duration interactive session for efficiency and proficiency in Sanskrit language is commenced primarily because the medium of instruction is Sanskrit. The students are expertly mentored to understand the lectures of teachers, resource persons, and distinguished scholars in the class-rooms.

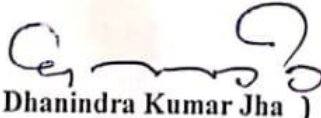

Furthermore, several committees are constituted to mentor the students. These committees are enumerated as (i) Higher Studies Advisory Committee, (ii) Placement Committee, (iii) Personality Development, Employment and Planning Advisory Committee, (iv) Arts and Culture Committee, (v) Students Advisory Committee, and so on.

Apart from the afore-mentioned student centric activities, students are conscientiously advised and encouraged to come with flying colours in several competitive examinations of state and national level. The students are successfully guided and supervised for NET, SLET, CAT, GATE, and sundry other provincial as well as national level civil services. Thus, CSU, Lucknow Campus, has performed fruitfully in the afore-noted areas of distinct priority and thrust.
